GO WIT D' FLOW

by **Chris Brooks**
Easy - 1:22

Instrumentation

**Snare, Tenors, Cymbals, Bass Drums,
Bells, Xylophone (2 players), Suspended Cymbal,
Ride Cymbal, Vibra Slap, Police Whistle**
Optional Sideline Tom

Performance Note: For the snare/tenor break, the snare players should flank the tenor player facing in. Optimum ratio is (2) snares for each tenor player. If there are (3) snares and only (1) tenor player, have the third snare player use a tom on the sideline for the break. Position all snare and tenor players together so they are featured as a group. When the rotations occur, move all (3) snare players. These diagrams will help illustrate the different configurations.
