# All About Dat Trash

*(No Buckets . . .)*

by **Ed Argenziano**  
**Medium - 3:00 / 6-17 Players**

## Instrumentation

**20 or 30 Gallon Metal Garbage Cans (4-12),  
Large Plastic Garbage Cans (1 - 4), Drum Set**

*Performance Notes:* There should be an even number of metal can players. Metal cans are to be played upright, with the lids on, and handles will need to be removed from the lids. Large plastic cans should be played upside down (on the bottom) and with marching bass drum mallets. Stick clicks should be played in front of the players forehead and bring arms and sticks to side to click players on each side. Vamp measures 1 - 7 for as long as needed, use this intro section to get the crowd fired up!
